SIXTY-EIGHTH ANNUAL REPORT
OF THE
BOARD OF DOMESTIC MISSIONS,
FROM MARCH 1, 1869, TO MARCH 1, 1870.

THE Board of Domestic Missions respectfully present to the General Assembly, this their Sixty-eighth Annual Report. We discharge this duty with mingled feelings of sadness and joy—with sadness, as this is the last Report of the Board as a separate agency of the O. S. branch of the Church; and with joy, in view of its consolidation with the Home Missionary Committee of the N. S. branch of the Church—the fruit of our blessed Re-union.

During the first nine months of the year, the receipts of the Board were greatly diminished as compared with the corresponding period of the year preceding; but during the last three months of the year, they were much larger than was anticipated, so that we were enabled to close the year with a large balance in the treasury. What is better still, the year was characterized by numerous precious revivals of religion—the number of our missionaries was greatly increased—their labors were signally blessed; our missionary churches generally revived and strengthened, and the work as a whole, unusually prospered. In reviewing the year, therefore, we feel that there is special cause for thanksgiving and praise to Almighty God.

OPERATIONS OF THE YEAR.

Of Missions—Statistical Details.

The whole number of missionaries in commission last year was 613, which is 67 more than the year preceding. They were located in the following States and Territories, viz :

1 in Arizona,	11 in Nebraska,
11 in California,	18 in New Jersey,
3 in Colorado,	2 in New Mexico,
3 in Delaware,	27 in New York,
2 in Florida,	11 in North Carolina,
91 in Illinois,	49 in Ohio,
38 in Indiana,	4 in Oregon,
81 in Iowa,	71 in Pennsylvania,
23 in Kansas,	3 in South Carolina,
11 in Kentucky,	7 in Tennessee,
3 in Louisiana,	3 in Texas,
9 in Maryland,	3 in Virginia,
2 in Massachusetts,	1 in Washington,
4 in Michigan,	11 in West Virginia,
27 in Minnesota,	30 in Wisconsin,
1 in Mississippi,	1 in Wyoming,
50 in Missouri,	1 unsettled.

The number of churches and missionary stations wholly or in part supplied, (as far as reported,) by our missionaries, is 705.

The number of newly organized churches is 62.

The number of admissions on examination is 3107, and on certificate, 2229 ; making a total admission of 5336.

The number in communion with churches connected with the Board is 28,839.

The number of Sabbath-schools is 510 ; of teachers 4543 ; and of scholars 34,810.

The number of baptisms is 2943.

Of the 613 missionaries who have been in commission during the year, 139 have sent in no special report for the Assembly, more than one-fifth of the whole number ; consequently we must increase all the returns one-fifth to make them correct.

APPROPRIATIONS.

The appropriations made to our missionaries from March 1, 1869, to March 1, 1870, were \$143,820.00, which is 30,071 more than the year preceding.

As the missionary appointments are made, with very few exceptions, for twelve months, and are scattered over the whole year, of course a large number of the appropriations made during the year have not yet fully matured, but will be falling due as the present year advances.

RECEIPTS AND PAYMENTS.

The total amount of receipts from all sources, from March 1, 1869, to March 1, 1870, was \$127,727.76. To which add balance on hand March 1, 1869, \$60,716.71; making the available resources of the Board during the year, \$188,444.47.

The receipts during the present year were *less* by nearly \$30,000, as compared with the year immediately preceding; but they were *more* by nearly \$15,000, as compared with those of 1867-8, and *more* by \$30,000 than those of 1866-7. The falling off the present year as compared with the year immediately preceding, was doubtless owing to the extraordinary effort that was made in 1868-9 to extricate the Board from its then financial embarrassment.

The payments during the year were \$123,406.88; leaving a balance in the Treasury on March 1, 1870, of \$65,037.59.

This balance, though comparatively large, is not larger than is desirable, for reasons which we have repeatedly given in former reports. It would indeed have been easy for the Board so to arrange their expenditures as to have but a very small balance on hand at the close of the year, with the intention of borrowing, as would be unavoidably necessary a few weeks afterwards, \$20,000 or \$30,000, to pay the missionaries during the season when the receipts are very light. Instead, however, of paying from six to seven per cent. for borrowed money, the Board have judged it better so to manage as to have a good working balance on hand at the close of the year, and temporarily to invest what may not be immediately needed in un-

doubted securities, and receiving interest therefor. This plan is not only more economical, but secures the certain and prompt payment of the missionaries during all the months of the year.

We may add that a very large portion of the reported balance was received during the last two or three months of the fiscal year; and although there was not sufficient time to expend a great deal of it, yet large liabilities have already been and will continue to be created in view of its possession, which, as they mature, will gradually diminish it.

CLOTHING.

One hundred and sixteen boxes, barrels, and packages, containing clothing valued at \$23,855.57, were received and distributed among the missionaries during the year; and eight boxes, barrels, and packages, of which no valuation was reported—the value of the whole being probably about \$25,000.

The Ladies are justly entitled to the warmest thanks of the missionaries not only, but of all the friends of missions, for the valuable supplemental aid thus furnished by their self-sacrificing, skilful, and toilsome work. It is impossible to overestimate the good which has been accomplished by their instrumentality. Many of the missionaries with their families would otherwise have greatly suffered for the want of comfortable clothing, as from their inadequate salaries they would not have been able to supply themselves. Indeed, it is probable that not only the health, but even the lives of some of our missionaries have been thus preserved to their families and the Church of God. Many of their reports gratefully acknowledging the receipt of clothing, are exceedingly touching, and show how highly they appreciate such benefactions. We trust the Ladies will persevere in their work and labor of love, with the assurance that they are not only doing much good to others, but that they are treasuring up for themselves in heaven a gracious and glorious reward.

We will repeat what has been often heretofore published, that the value of the clothing sent to our missionaries is never deducted from the salary of those who receive it, but is regarded simply as a special donation to them from the friends of

the cause. We will add, that such donations of clothing ought never to be allowed to interfere with or diminish the contributions to the Board, as such an effect would be highly prejudicial to the Board, and injurious to the missionaries themselves.

FREEDMEN'S COMMITTEE.

The Board has continued to coöperate cordially with the Freedmen's Committee, and has issued as many joint commissions as its pecuniary resources and the necessities of the entire field would permit. During the year there were fifteen missionaries employed in this department of the work—one more than the year preceding. They were distributed as follows: Nine in North Carolina, three in South Carolina, and one each in Virginia, Tennessee, and Kansas. The reports from these missionaries continue to be highly encouraging, and we have reason to believe they are accomplishing great good.

MISSION AMONG THE JEWS.

During the year, a missionary has been employed to labor among the Jews in the City of Philadelphia and vicinity, where it is supposed there is a Jewish population of at least 15,000. This mission has been sustained from the proceeds of a legacy bequeathed by the late Mrs. Susan H. Thorne, of Carlisle, Pa., who left \$2,000 to the Board to be expended for this object. The missionary is highly encouraged in his labors among his countrymen, and expresses the conviction that the time is not far distant when many of them will embrace Christianity. Some few have already been hopefully converted.

Feeling the want of certain books which could not be procured in this country, adapted to enlighten the Jewish mind, and to convince them of the truth of Christianity; at his request the Board petitioned the London Society for Promoting Christianity amongst the Jews, which had published them, for a donation of a limited number. That Society promptly and generously responded by forwarding to us a box of books valued at \$72, for which the thanks of the Board are most gratefully tendered.

ENLARGEMENT OF THE WORK.

With the rapid spread and augmentation of our population, the demand for additional laborers is correspondingly increasing. The increase of population, especially in the newer States and Territories, is almost incredible. Villages, towns and even cities are springing up along our various railroad lines, where a few years ago, and in some instances, but a few months since, there was scarcely an inhabitant. The causes which have produced these astonishing results, will continue to operate with probably increased force for many years to come. This rapid expansion and augmentation of population demand, even at the present time, a very large increase in the number of missionaries, and will require a corresponding increase of laborers from year to year. Our attention has already been called to an indefinite number of places where missionaries are needed, and where they could probably succeed in gathering and organizing churches; and the most urgent and affecting appeals are constantly being made to us for their supply. We have done what we could to meet the demand; and since our treasury has been replenished we have made a number of new appointments, and will continue to do so to the full extent of the means placed at our disposal.

In addition to the promising fields now opening in the Middle, and especially in the Western and Northwestern States and Territories, there is a great work to be done in the Southern and Southwestern States. We hope it will not be long before the Southern Church will become organically united with our General Assembly, as there is no *principle* involved, and the feeling which keeps us apart must soon give place to a more friendly and Christian spirit. If, however, all efforts at conciliation and re-union prove ineffective, our Church should adopt the most vigorous measures to reëstablish itself in every Southern State, both on account of our nationality and the inability of the Southern Church, from want of men and means, to supply the spiritual destitutions of that extensive portion of our land. Our Church has never been sectional, but always national, and we trust it will ever remain so. Our mission is to occupy, so far as God in his providence will enable us to do it, our

whole land. South Carolina and Texas are as much a part of our country as Pennsylvania and New York; and our duty is to plant our standard on the borders of the St. Lawrence and the Rio Grande—the shores of the Atlantic and the Pacific Oceans. In accordance with these views, we are sustaining missionaries in New England, in several of the extreme Southern and South-western States, on the shores of the Pacific, and are endeavoring to make arrangements for a pioneer missionary to Alaska Territory. Our field of operations is our whole national domain.

Not only is it necessary to increase greatly the number of missionaries, but it is likewise of great importance that they should be more liberally sustained. The salaries of many of the missionaries are far from being adequate to the comfortable support of themselves and families. Many of them are subjected to painful self-denials, and are burdened with worldly cares and anxieties, which greatly hinder them in their official work. This is not only unjust towards them, but impolitic with reference to the interests of the Church. If properly provided for, they would not only be more comfortable and happy, but far more effective in their ministerial work. We earnestly trust that the Church will provide more ample means for their sustentation, and that the salaries of many of them will be largely increased.

It is in view of the vastness of the work to be accomplished, that we so heartily rejoice at the re-union of the two branches of our beloved Church. Such a combination of forces will greatly aid us in doing our denominational share in supplying the spiritual destitutions of our land. The reconstructed Board of the united Church will be able to accomplish vastly more than the agencies of the separate branches were able to effect, and we trust will not only realize, but exceed the expectations of the Church at large.

THE CAPITAL OF THIS BOARD.

As the work of consolidation and reconstruction is soon to be effected, it may be proper to state for the information of the General Assembly, what is the present pecuniary capital in the

possession of this Board. The cash balance in hand is, in round numbers, \$65,000. The Mission House owned and occupied by the Board, is valued at \$35,000. Permanent funds, the interest alone of which can be used, \$17,000. Lands bequeathed in several States valued at \$5000; and Legacies in process of collection \$10,000. Total amount \$132,000.

If the Home Missionary Committee of the former New-school branch of the Church is able to put in the same amount of capital when the co-partnership is formed, the new firm will be financially strong, and the reconstructed Board will be in a condition not only to sustain with greater liberality the present number of missionaries without embarrassment, but greatly to extend the missionary operations of the united Church.

RETIREMENT OF DR. MUSGRAVE.

At a meeting of the Board held on the 14th of March, the following letter was received, viz:

MISSION HOUSE, 907 Arch street, }
Philadelphia, Feb. 28, 1870. }

To the Board of Domestic Missions:

Rev. and Dear Brethren—As our fiscal year terminates this day, I avail myself of the occasion to inform the Board officially, that it is my desire and purpose to retire from the office of Corresponding Secretary, so soon as the new Board is organized. The brethren must excuse me for still crying “*nunc demittis*,” as the infirmities of age cannot be relieved by classical allusions, nor obviated by the eloquent counsels of partial friends. The truth is, that I can no longer endure the labors and cares of the office, without exhausting the measure of physical strength that yet remaineth. Besides, it is my conviction that a younger and more active man should supply my place, when the united Church enters upon the enlarged work which will be demanded of it.

I rejoice in being able to say, that the Board is in a perfectly sound and highly prosperous condition financially. During the first nine months of the present fiscal year, the receipts were

considerably diminished; but during the last three months they have been much larger than was anticipated, and we shall commence the new year with a good working balance in hand, which will enable the Board to carry on its operations without embarrassment, and meet punctually all its liabilities as they mature. The appropriations during the year were over \$143,000, which is \$30,000 more than the year preceding. The number of the missionaries employed during the year was 613, which is 67 more than the previous year. All the missionaries who have reported have been punctually and fully paid; and there is a balance of over \$65,000 in the treasury, with which to sustain the missionaries now in commission, and to continue, as we are doing, to add to their number.

I feel under great obligations to the Board, and especially to the Executive Committee, for their uniform courtesy and cordial coöperation. To the Treasurer of the Board I am also greatly indebted for his valuable assistance, and likewise to the clerk in the office, who has acted as my amanuensis. I shall part with all my associates with sincere regret, and shall ever cherish the remembrance of their kindness and assistance with profound gratitude.

Praying the Great Head of the Church to continue to bless the Board and all its officers, and to prosper yet more abundantly the unspeakably important work of home missions, I remain, with profound respect and affection, fraternally yours,

G. W. MUSGRAVE.

After the reading of the foregoing letter, the Board unanimously adopted the following preamble and resolutions, viz:

Whereas, The Rev. Dr. Musgrave has officially informed the Board that, on account of the infirmities of age, he "can no longer endure the labors and cares of the office, without exhausting the measure of physical strength that yet remaineth," it is his desire and purpose to retire from the office of Corresponding Secretary so soon as the new Board is organized; therefore,

Resolved, 1. That it is with profound regret we have heard

the announcement of our beloved and faithful Secretary, that it is his desire and purpose to retire, as we had fondly hoped to secure his invaluable services in the Board of the united Church.

Resolved, 2. That we bear our united testimony to the judicious, prompt, and efficient manner in which the responsible duties of the office have been conducted; and we would recognize the fact, that when these duties were assumed, the treasury was empty, and the Board in debt, and that by the earnest and stirring appeals of the Secretary to the Church at large, a generous and noble response was given by increased contributions, so that the Board, with the Divine blessing, has been able to meet all its liabilities, and largely to extend its operations.

Resolved, 3. That we give thanks to the Head of the Church, for the long and useful life, and abundant labors of our faithful and honored Secretary, who expects so soon to retire from this office; and our prayer is, that his highest anticipations for the future of our beloved Zion in this country be fully realized, and that in the evening of his life he may experience more than ever the preciousness of the Master's promise—"Lo, I am with you alway."

Resolved, 4. That the letter of Dr. Musgrave and the foregoing resolutions of the Board, be entered in full upon our Minutes; that a copy of the resolutions be transmitted to him; and that the letter and resolutions be published in the papers of the Church.

Attest,

J. ADDISON HENRY, *Rec. Sec.*

CONCLUSION.

As this is the last report we shall make as a separate Agency of the Old-school branch of the Church, a few remarks with reference to the early origin of the Board, and the steady progress of its work, may not be improper. The work of Home Missions is not of recent origin, but has been prosecuted by our Church from the beginning of its establishment in this country. During nearly the whole of the past century, our venerated fathers engaged in missionary labors, and it was mainly by their missionary efforts that our Church was so

rapidly extended. About the beginning of the present century, feeling the necessity of conducting this work more systematically, they appointed a Committee on Missions, and located it in the city of Philadelphia—the original seat and home of Presbyterianism in this our native land. The constitution of this Committee was changed from time to time, as the work expanded, until it finally took the present form of the Board.

In this connection we republish the historical sketch which was given in our Fifty-first Annual Report in 1853:

“From the first establishment of our Church in this country, it was a missionary body, and our missions were carried on from 1706 to 1716 by the original Presbytery of Philadelphia; from 1717 to 1741 by the Synod of Philadelphia; from 1742 to 1758 by the Synods of Philadelphia and New York; from 1758 to 1789 by the Synod of New York and Philadelphia; and from 1789 to 1802 by the General Assembly. In 1802, the business of conducting the missions increasing too largely upon the Assembly, that body appointed ‘THE STANDING COMMITTEE OF MISSIONS,’ and *fifty-one years ago*, in May, 1803, and in *this city* of Philadelphia, ‘The Standing Committee of Missions’ made its *First Annual Report* to the General Assembly. In 1816 the style of this Committee was changed for that of ‘THE BOARD OF MISSIONS, *acting under the authority of the General Assembly of the Presbyterian Church in the United States,*’ (*Minutes* 1816, p. 633,) and its members and its powers enlarged; and both membership and powers were still further enlarged in 1827. *The Board*, therefore, is no new creation, but the old ‘*Standing Committee of Missions*’ under a new name, and with enlarged membership and powers.”

The pecuniary resources of the Board, prior to 1837–8, were not as great as might have been expected from the numbers and wealth of the whole Church, as a very large number of individuals and churches sent their contributions to the American Home Missionary Society, located in the city of New York. After the division of the Church, the receipts of the Board more rapidly increased, and it was mainly by this agency that the Old-school branch of the Church, with the

blessing of God, was sustained and extended, and enabled to maintain its relative strength; and after the lapse of more than thirty years, was still found in advance of the other branch.

The total receipts of the Board, since the division of the Church, from 1837-8 to 1869-70—a period of thirty-three years—have been, omitting fractions, two millions, five hundred and forty-five thousand dollars, (\$2,545,000.00.)

During the ten years' administration of the present Corresponding Secretary, the receipts have been one million, forty-eight thousand, two hundred and thirty-seven dollars, (\$1,048,237.00.)

The receipts of the past two years have been two hundred and eighty-four thousand, nine hundred and fifty dollars, which is twenty-one thousand, seven hundred and fifty-four dollars in *excess* of any two preceding years, when the receipts were the largest, viz: 1860 and 1866, the total receipts of those years having been \$263,196.

The efficiency of the Board may also be seen in the number of its missionaries, who are to be found in almost every State and Territory, from the Atlantic to the Pacific, and from Massachusetts to Texas.

We cannot conclude this report without a parting word to our beloved missionaries. We assure you, dear brethren, that we have sincerely sympathized with you in your various trials and arduous labors. It has always been a grief to us that we could not more adequately supply your wants, while we have done the best that we could with the comparatively limited means placed at our disposal. We trust that with the combined resources of the re-united Church, the reconstructed Board will be able to afford all the missionaries a far more liberal support. We thank God for all the good that you have been instrumental in accomplishing, and especially for the precious revivals of religion reported by many of you during the past year. You have our best wishes for your personal comfort and future usefulness. The Lord bless you, and keep you; the Lord make his face shine upon you, and be gracious unto you; the Lord lift up his countenance upon you, and give you peace. "Finally, brethren, farewell. Be perfect, be of

good comfort, be of one mind, live in peace, and the God of love and peace shall be with you."

We publish with this report the names of the *present* officers and members of the Board, although changes will doubtless be made by the General Assembly and the reconstructed Board.

By order of the Board of Domestic Missions,

G. W. MUSGRAVE,

Corresponding Secretary.

 See the Appendix for a *supplemental* account of the operations of the Board, bringing down the Report to the 9th of May, 1870.

APPENDIX.

NOTICE TO APPLICANTS FOR MISSIONARY AID.

Applicants for Missionaries and missionary aid, are respectfully and earnestly requested to pay particular attention to the following rules and regulations of the Board :

RULE 1.—*Regular form in which applications are to come up to the Board as often as made.*

Applications to the Board for *Missionary appointments* and *pecuniary aid*, and also for the *re-appointment* of Missionaries, *should always be made in writing by the Ruling Elders* of the church, *through the Presbytery, or the Corresponding Executive Committee* of the Presbytery to which the church applying for assistance belongs, *accompanied with a recommendation* from said Presbytery or Committee, *of the Missionary to be appointed, and a specification of the amount of aid* indispensably necessary.

If there be no Corresponding Executive Committee in the Presbytery, the application must be fully sanctioned by two neighboring ministers connected with the Presbytery to which the church belongs.

RULE 2.—*Of the Board in relation to renewing, dating, and antedating Commissions. Passed March 10th, 1851.*

In consequence of the constantly repeated applications of Presbyteries to antedate commissions—some for three, others for six, and some even for twelve months—and without any apparent reason, other than want of attention and prompt action on the part of Presbyteries, and Committees of Presbyteries on Missions, thereby embarrassing the business of the Board, and depriving the Board of an accurate knowledge of the expenses of our missions, for which provision must be made weekly, therefore,

Resolved, 1. That the Presbyteries and Committees of Presbyteries on Missions, be respectively requested to have commissions of their missionaries renewed before the expiration of their term of service, if practicable to do so; and *in all cases to state definitely the time when they wish the Commission to be dated.*

Resolved, 2. That from and after the first day of May, 1851, the Board will antedate no commission *beyond two months from the time of the reception of the application at the Mission House.*

RULE 3.—*Rules of the Board in relation to the careful examination of applicants: to information required of Presbyteries by the Board, to assist in its action: and to churches able to support the gospel for themselves.*

On motion,

1. *Resolved*, That the Committee of the Board be directed to examine carefully into the propriety and justice of every application for new commissions, or for renewal of old ones; and whenever the sums applied for may be reduced, that the reduction may be made.

2. *Resolved*, That the Presbyteries be requested to state the amount raised by the churches or congregations forming missionary fields, in support of their pastors or missionaries, when they apply for commissions from the Board for them, in order to enable the Board to act more intelligently on the applications.

3. *Resolved*, That before a Presbytery entertain the application of any organized church or missionary field, it be requested to inquire whether said church or field has any reasonable prospect of becoming self-sustaining; and whether said church or field may not properly or profitably be united with some contiguous church or churches, and the labor of a missionary, and the expense of his support, be saved to the Board, agreeably to the recommendation of the General Assembly.

4. *Resolved*, That all churches which have been long upon the Board, and are able to support the gospel of themselves, have their appropriations reduced; and that they be discontinued by the Board as soon as possible, in order that the Missionary funds of the Church may be husbanded, and more liberally and extensively applied to fields that are purely missionary, and in which the Church may expand and grow.

CLOTHING.

Boxes of Clothing for Missionaries.—For the information of those who may wish to furnish clothing, or other articles, for the comfort of our missionaries and their families, we publish the following:

Boxes of clothing when sent directly to the office of the Board, without any particular designation, will be forwarded to such missionaries as are understood to be the most needy; and the missionary to whom a box from any congregation or association is sent, will be requested to write to the donors, acknowledging the receipt.

We ask particular attention to the following directions for forwarding boxes.

1. In every box that is sent, put a *list of all the articles*, with their estimated *value*; put on the same paper the name of the individual, congregation, or association from whom the box comes; also the post-office address of the person to whom a letter of acknowledgment is to be sent. Let this paper be put in the box, where it will be readily seen on the box being opened. A letter should also be sent to the office of the Board, giving information of the time when the box was sent, and by what conveyance, to whom sent, the valuation, and any other things connected with the donation which it may be desirable should be known at the office.

Clothing Distributed Gratuitously.—Boxes of clothing form no part of a missionary's regular appropriation. The Board, therefore, need the same amount of funds to meet their engagements, as if no boxes were forwarded. It is very important this should not be overlooked. These boxes are of great value to many of the missionaries, and they need all that is sent to them; but we should be careful not to suffer these acts of kindness to lessen our pecuniary donations to the cause, which cannot admit of this without serious loss. Thus far there has been no pecuniary loss, but rather a gain, by the interest which has been excited in the preparation of these boxes. We fondly hope it will continue to be so, and that the interest in Domestic Missions will continue to increase until our whole land is supplied with gospel privileges.

Contents of Boxes.—As to what is to be put into these boxes, we are willing to leave the matter to the judgment of our good ladies, who so well know what is wanted in a family. Scarcely any article in common use will come amiss. Knives and forks, spoons, scissors, thread, yarn, silk, needles, pins, tape, buttons, garden seed, etc., etc., in addition to articles of substantial wearing apparel, will be thankfully received. Flannel, muslins, calicoes, etc., not made up, are very acceptable.

SUPPLEMENT.

The subjoined is a Supplemental Report of the operations of the Board since the commencement of the present fiscal year, viz., from March 1, 1870, to May 10, 1870.

During this period the receipts have been \$21,966.04, which is *more* by \$9,743.60 than during the corresponding period of last year.

The payments during this period have been \$26,829.98, which is more by 6,738.95 than during the corresponding period of the year previous.

The appropriations during this period have been \$66,217, which is *more* by \$30,200 than during the corresponding period of last year.

During the same period, viz., from March 1, 1870, to May 10, 1870, there have been 240 appointments, viz., 84 *new* appointments and 156 re-appointments.

The *new* appointments have been distributed as follows :

4 in California.	1 in Kentucky.	9 in Ohio.
4 in Colorado Ter.	2 in Maryland.	2 in Oregon.
1 in Delaware.	1 in Michigan.	3 in Pennsylvania.
1 in Florida.	9 in Minnesota.	1 in Virginia.
17 in Illinois.	4 in Missouri.	1 in Washington Ter.
4 in Indiana.	3 in New Jersey.	1 in West Virginia.
5 in Iowa.	3 in New York.	2 in Wisconsin.
6 in Kansas.		

The Balance in the Treasury this day, viz., May 10, 1870, is \$60,173.65.

From the foregoing Supplemental Report it will be seen that the Board is at present in a financially strong and highly prosperous condition—in fact, it is more so than it has ever been at any previous period since its organization. We repeat what was said in the Annual Report, that if the Home Missionary Committee at New York is in an equally strong condition, as we hope it is, the *Reconstructed Board* will be able to enter upon its enlarged work under circumstances highly auspicious.

By order of the Board,

G. W. MUSGRAVE,
Corresponding Secretary.
